

- Install Greenify
- Install Amplify (former: Xposed- Wakelock terminator)

Tools to disable services

- Disable Service
- 3C toolbox

Disable google play services

Settings > Applications > All > Google Play Services > Disable.

com.google.android.gms

Google Mobile Services started very often by ALARM_WAKEUP_ACTIVITY_DETECTION i
ALARM_WAKEUP_LOCATOR

Do not disable

- MediaScannerService in Multimedia Storage beacause /DownloadManager(1733) :
waiting for mMediaScannerService service:
- Google Services Framework (it is needed to authenticate to google account)
 - com.google.android.gsf.login for service
com.google.android.gsf.login/com.google.android.gsf.loginservice.GoogleLoginService
 - it is needed for google play
