

OSCAM config files

oscam.services

<https://wiki.streamboard.tv/wiki/OSCam/en/Config/oscam.services>

oscam.provid

provider table for monitoring and web interface

Translated from caid and provid —> provider and station name.

oscam.srvid

This file is only needed if operating monitor and webinterface! For saving memory consumption only insert the service IDs you really need

oscam.srvid2

You only need the oscam.srvid2 when using the monitor or the web interface. For saving memory consumption only insert the service IDs and provider IDs that you really need
