

postgresql tuning

- If the database resides on a Btrfs file system, you should consider disabling Copy-on-Write for the directory before creating any database.
- If the database resides on a ZFS file system, you should consult ZFS hints for databases before creating any database.

Parallel queries

```
SHOW max_parallel_workers_per_gather;  
SHOW max_parallel_workers;  
SET max_parallel_workers_per_gather = 0;  
SET max_parallel_workers = 0;
```
